**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF WYOMING**

**UNITED STATES OF AMERICA,**

Plaintiff,

v.

**WILLIAM JOHN LEE, et al.**

Defendants.

**Case No. 18-CR-108-S**

**UNITED STATES' REQUEST FOR STATUS CONFERENCE**

**COMES NOW** the United States of America, by and through Trevor J. Schenk, Special Assistant United States Attorney, and hereby request a status conference in this matter in an effort to streamline the discovery process and the pretrial motion and hearing deadlines and minimize unnecessary efforts of court personnel and counsel.

On July 19, 2018, an indictment was returned in this matter charging four defendants with two counts of various controlled substance violations and three counts of various firearm violations. All the defendants have had their initial appearances and arraignments and all have different scheduling deadlines.

This case involves the investigation of a large drug trafficking organization in the Park County and Natrona County, Wyoming, areas. During the investigation, law enforcement obtained authorization to wire intercept four telephone lines. In addition, the investigation involved numerous controlled buys; numerous search warrants executed on residences and cellular

telephones; video and photograph surveillance; and other forms of investigation, which produced a large volume of discovery.

**WHEREFORE**, the United States respectfully requests the court set a status conference to streamline matters in this case.

**DATED** this 7th day of August, 2018.

Respectfully submitted,

MARK A. KLAASSEN  
United States Attorney

By: /s/ Trevor J. Schenk
